By order entered July 11, 2011, this court reduced the defendant's sentence from 130 months to 92 months. The defendant has written to the court suggesting that a more generous reduction is called for under the facts of his case. The court was made aware of all of the information contained in the defendant's most recent letter and finds no basis for disturbing its earlier decision regarding the sentence reduction. Accordingly, to the extent the defendant's letter dated January 20, 2012, can be considered as a request for reconsideration, the same is denied.

IT IS SO ORDERED.
